

Wisconsin United Donation/Contribution Letter

501(c) (3) Federal I.D. #46-4351523

To Whom It May Concern!

Thank you for your consideration in contributing to Wisconsin United.

Wisconsin United was established to provide a positive experience to student-athletes who wish to excel in the fundamentals of the game of basketball. Our program dedicates itself on ensuring our student-athletes success and progress in the classroom, on the basketball floor, and progress as a person. The Wisconsin United families, coaches, and directors function on family values and what we can do to continue to better ourselves in all life skills. Putting kids in a position to get a high school degree and further to a college education through a simple game like basketball is what we are all about.

To support our mission, the following items are in place and continual working plans are in place to accomplish these goals:

- We have affiliated Wisconsin United with the Boys and Girls Clubs of Milwaukee to further our commitment to the youth of Milwaukee.
- Parent educational tutoring at the Boys and Girls Club from Wisconsin United families and parents is ongoing to better educate our youth.
- Service hours from all of our high school level athletes are required and range from reading to our youth to mentoring them with life skills.
- Wisconsin United will participate in at least 2 community service functions as a club per year. This includes our youth and families.
- We have installed a 2.5 grade point average for our youth to be able to participate in our basketball program as a student/athlete.
- We have a no tolerance rule for misbehavior, drugs, nor disrespect which includes parents, coaches, and athletes.
- ACT pre testing for high school students

Although the above items are only part of what we do, we also excel on the basketball floor. The following are some of the things we have accomplished:

- Wisconsin United teams encompass 2nd grade to 11th grade.

Page 2

- Coaches are all certified coaches through NCAA or AAU. Background checks on every coach happen each year.
- 6th grade team have been AAU National Champions back to back years.
- 9th grade team State Champions 2 years back to back, 14th ranked team in the country, and team record of 171-39.
- 11th grade team sports many D1 athletes competing for major college scholarships
- 8th grade team #1 team in the State.
- We travel to National tournaments from east coast to west and our name as one of the top programs in the country is well established.

As you know, it takes major funding to put these action items in place and also put our teams on the road. Our Sponsors to date are on our web-site at WISUNITED.COM. We sincerely hope that you can find it in your budget to support our cause in funding these kids to be active contributors to making a better world. **THEY ARE OUR FUTURE.**

If you have any questions please don't hesitate to call Mike DeBakker, Director, at 414-791-9079.

Respectfully,
Wisconsin United
